Our club believes in promoting participation by junior shooters (under 16 years old) who have prior firearms safety instruction. Please note: matches are not a good place to learn safe gun handling techniques. Junior shooters, who are not able to handle a pistol safely, but are competent with a rifle, may enter our pistol matches using a rifle. An adult will accompany the junior at the line to assist loading the firearm. A line officer will check all firearms, to verify that they are safe, before they are removed from the firing line for all shooters.

The club holds practice matches on the first and fifth Fridays each month for shooters to sharpen their skills with any .22 cal firearm. Shooters may bring pistols and rifles and compete with both in the same evening. No prizes awarded. \$5.00 fee for non-members. Our range is heated and most people will find it comfortable. On cold evenings, guests are also welcome to enjoy the ambiance of the fire in our wood stove.

Free coffee always available, also donuts while supplies last and if someone remembers to buy them.

SNOW CANCELLATIONS: Posted not later than 3:00 p.m. on our website on the day of the match or practice night.

WE ARE ACCEPTING NEW MEMBERS. Visitors are welcome to watch the match before participating. Eye and ear protection is mandatory for everyone on the range.
